---	----------------------

ORDER RECOGNIZING CORPORATE NAME CHANGE

(Issued May 14, 2001)

On November 19, 1999, the Utilities Board (Board) issued an order approving the application of MVX.COM Communications, Inc. (MVX.COM) for a certificate of convenience and necessity, pursuant to Iowa Code § 476.29 (1999), to offer statewide competitive local exchange service in the state of Iowa. The application was identified as Docket No. TCU-99-30. In the order the Board did not grant MVX.COM a certificate, but held that MVX.COM would be issued a certificate once it had approved tariffs which reflected the terms, conditions, and rates for providing local exchange service.

On May 9, 2001, MVX.COM filed a request with the Board to revise its corporate name from MVX.COM Communications, Inc., to QuantumShift Communications, Inc. (QuantumShift). QuantumShift states that it has received approval of the Iowa Secretary of State to change its corporate name.

The Board will recognize the change in the corporate name of MVX.COM Communications, Inc., to QuantumShift Communications, Inc. The recognition of the name change will not affect the obligation of the company to file proposed tariffs for Board approval before offering service in Iowa. The proposed tariffs will now be filed under the name QuantumShift Communications, Inc., and should be filed in Docket No. TCU-99-30.

IT IS THEREFORE ORDERED:

The Board recognizes the corporate name change from MVX.COM Communications, Inc., to QuantumShift Communications, Inc. When QuantumShift Communications, Inc., files proposed tariffs to provide local exchange service, it must give notice to all affected local exchange carriers. Upon approval of the proposed tariffs to reflect the terms, conditions, and rates for service, the Board will grant a certificate of convenience and necessity to provide local exchange service. Service cannot be provided until a certificate has been issued.
